200-hour Yoga Teacher Training

This 200-hour Yoga Alliance opportunity is for anyone wanting the skills to become a yoga teacher. No prior yoga or meditation experience necessary.

Learn four different series of yoga that will give you the skills to teach yoga to anybody, anywhere . . .

Gentle Yoga (hatha)
Relaxation Yoga (restorative)
Chair Yoga (self-massage)
Modified Primary (vinyasa/flow style)

Be mentored by experienced yoga teachers and friends in the circle on how to build a small business for yourself!

March - September 2018

cost = \$100 deposit (covers all books) + \$925 that you will raise during the course by first beginning donation-based classes with friends/family

300-hour Advanced Yoga Teacher Training

This 300-hour Yoga Alliance opportunity is for anyone wanting to study the depths of yoga practice, both in terms of sequencing movement/meditation and the philosophical roots of yoga. Prerequisite is a 200-hour yoga certificate, or you can take this 300-hour class at the same time as VITALITY's 200-hour class.

Study the writings of Krishnamacharya ("the father of modern yoga"), Patanjali's *Yoga Sutras*, *Bhagavad Gita*, *Hatha Yoga Pradipika*, and 20th century somatic pioneers Moshe Feldenkrais & RUTHY ALON, whose work and strategies resemble in some important ways the later-years teachings of Krishnamacharya. Participants will also complete basic certification in Movement Intelligence / Bones for Life as part of the training.

February - September 2018

cost = \$200 deposit (covers all books/materials) + \$2000 that you will raise during the course at 1-2 weekly classes you begin around the city

Classes led by Brian Shircliff, VITALITY's co-founder & program director
Yoga Alliance E-RYT 500, Healing Touch Certified Practitioner, Movement Intelligence Teacher,
Feldenkrais Method ATM authorized teacher, 20-year tai chi & meditation student

assisted by Cynthia Bedell of VITALITY, Becky Morrissey of Sangha Yoga, Cynthia Allen of Future Life Now, Mary Sinclair, Sherry Joy, & many more experienced teachers

200-hour Yoga Teacher Training

- organize and mobilize friends and family to work 100 hours in the community gardens in Walnut Hills, Mt. Healthy, your own neighborhood ... or volunteer with Our Harvest at their farmers markets around Cincinnati to grow the local, healthy-food revolution ... these 100 hours are part of your give-back for the vastly reduced tuition for this certification class
